VDO

Viewline Configuration Software Basic Edition - Installation

1. Copy the folder "Viewline PC Tool" and all of its contents from the enclosed CD to your computer's hard drive or network.
2. This software does not require any further installation procedures. Double-clicking on the file <u>NAP.EXE</u> in the folder "Viewline PC Tool" will execute the software.
3. Please refer to the "Viewline Configuration Software Instructions" located on the CD for final setup and operating instructions. The instructions are in Adobe Acrobat format. If you do not have Adobe Acrobat Reader, please download a free copy at www.adobe.com
